1. PERFECT MONEY ACCOUNT CREATION

1

Step 1

Go to www.PerfectMoney.is

The screenshot shows the homepage of the Perfect Money website. At the top, there's a navigation bar with links for Signup, Login, Exchangers, Tour, Help, and Security Center. The main content area features a banner with the text "Fast, easy, comfortable way to develop your money". Below the banner, there are sections for "PM Exchange Rates" showing USD/EUR and EUR/USD rates, and "PM E-Vouchers". A central text block says "Welcome to a new generation of Internet Payment System!" and lists unique features for Business and Personal accounts. It includes a list of benefits such as secure transfers, regular payments, and the ability to store money online. At the bottom, there's a note about the service being "Fast, easy, comfortable way to develop your money".

2

Step 2

Click on "SignUp"

This screenshot is nearly identical to the one above, showing the Perfect Money homepage. The layout, navigation, and main content sections are the same, including the exchange rate charts, the "PM E-Vouchers" section, and the welcome message about the new generation of Internet Payment System. The only difference is the visual style of the website, which appears slightly darker or has a different color palette.

3

Step 3

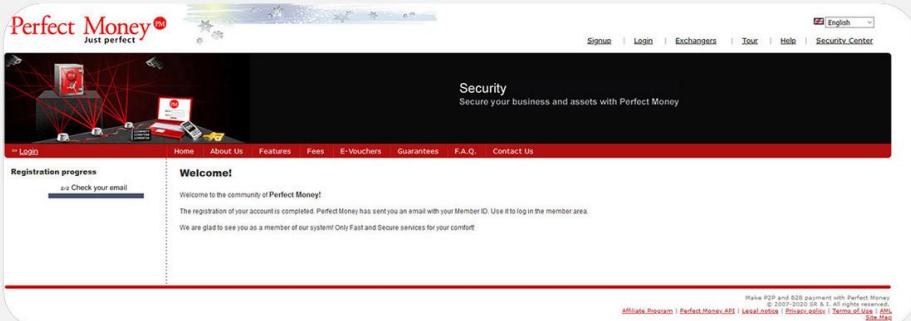

Fill in all mandatory fields with your real personal data, E-mail, tick the box “I agree with terms and conditions” and click on “Register” button:

The screenshot shows the 'Create an account' form on the Perfect Money website. The form includes fields for Account name, Password, City, Country, and BioPower-level. It also has sections for Personal info, Account type (set to Personal), and Security questions. At the bottom, there is a checkbox for 'I agree with terms and conditions'.

4

Step 4
